Within the framework of the High-Level Dialogue on Energy 2021 and on the sidelines of the Ministerial Thematic Forum on Enabling SDGs through Inclusive, Just Transitions, The United Nations Economic and Social Commission for Western Asia (ESCWA), in partnership with The International Network on Gender and Sustainable Energy (ENERGIA), The Global Women's Network for the Energy Transition (GWNET), and The Self Employed Women's Association (SEWA), is organizing an online Side Event on "Women-led rural development through renewable energy".

The side event will convene regional and international partners active in gender empowerment, rural development, and renewable energy to exchange experiences and lessons learned on the challenges and opportunities facing gender empowerment and rural development, and to explore the opportunities and solutions that renewable energy technologies can offer.
